(E) Motta_jake@yahoo.com

I am an excellent worker; always motivated to better myself and the others around me. I strive to make myself stand out amongst others and work hard to make myself known. I am a young, dedicated, and intelligent worker, excellent at solving problems and learning on my own. My goal is to excel forward and take the world by surprise, given the opportunity or not.

DESIRED POSITION 3D Artist for entertainment industry or game programmer
